

Blastie is Everywhere!

This book is based upon work from COST Action CA21105, supported by COST (European Cooperation in Science and Technology).

COST (European Cooperation in Science and Technology) is a funding agency for research and innovation networks. Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.

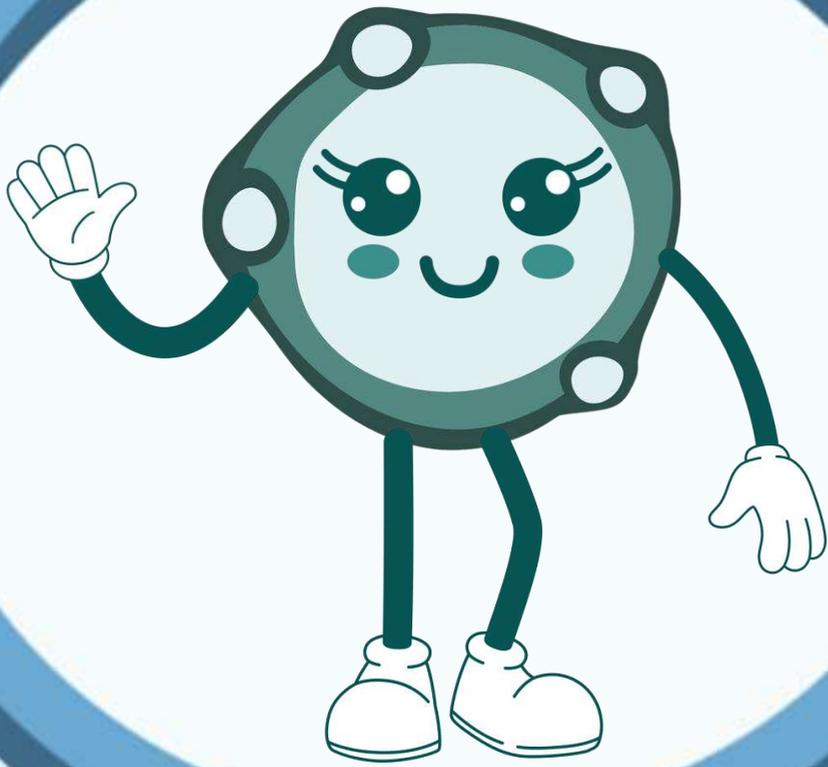

**Funded by
the European Union**

Text by Anastasios Tsaousis
Illustrated by Anja Godfrey
Translated by Pauline Scanlan

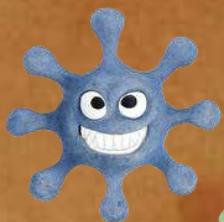

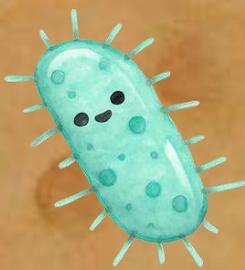

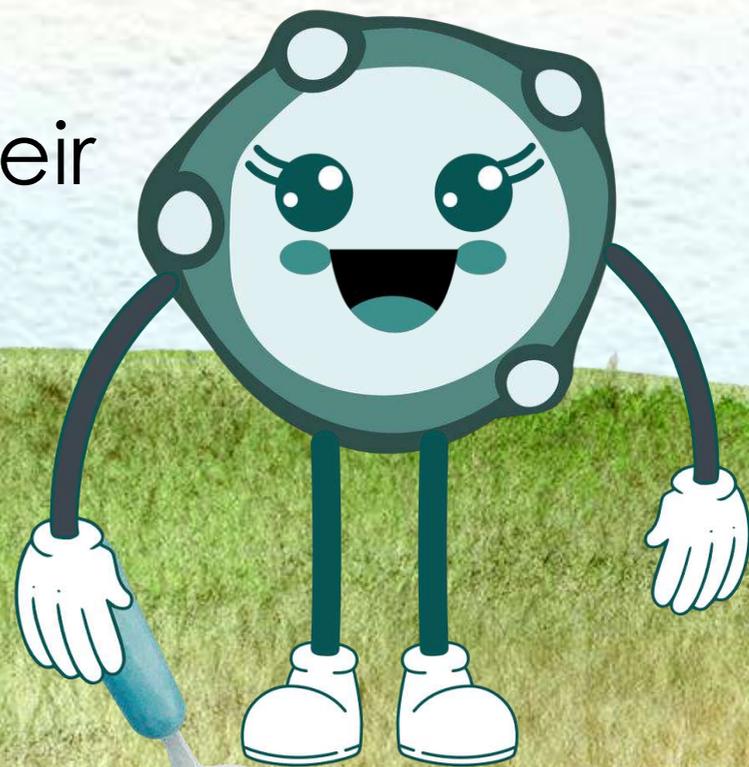

Blastie is ainm dom.

Tá mé beag
bídeach, agus níl tú
in ann mé a
fheiceáil...

ach amháin má tá
microscóp agat!

Is breá liom a bheith ag
imirt sa talamh.
“Tochail, tochail!” a deir
Blastie.

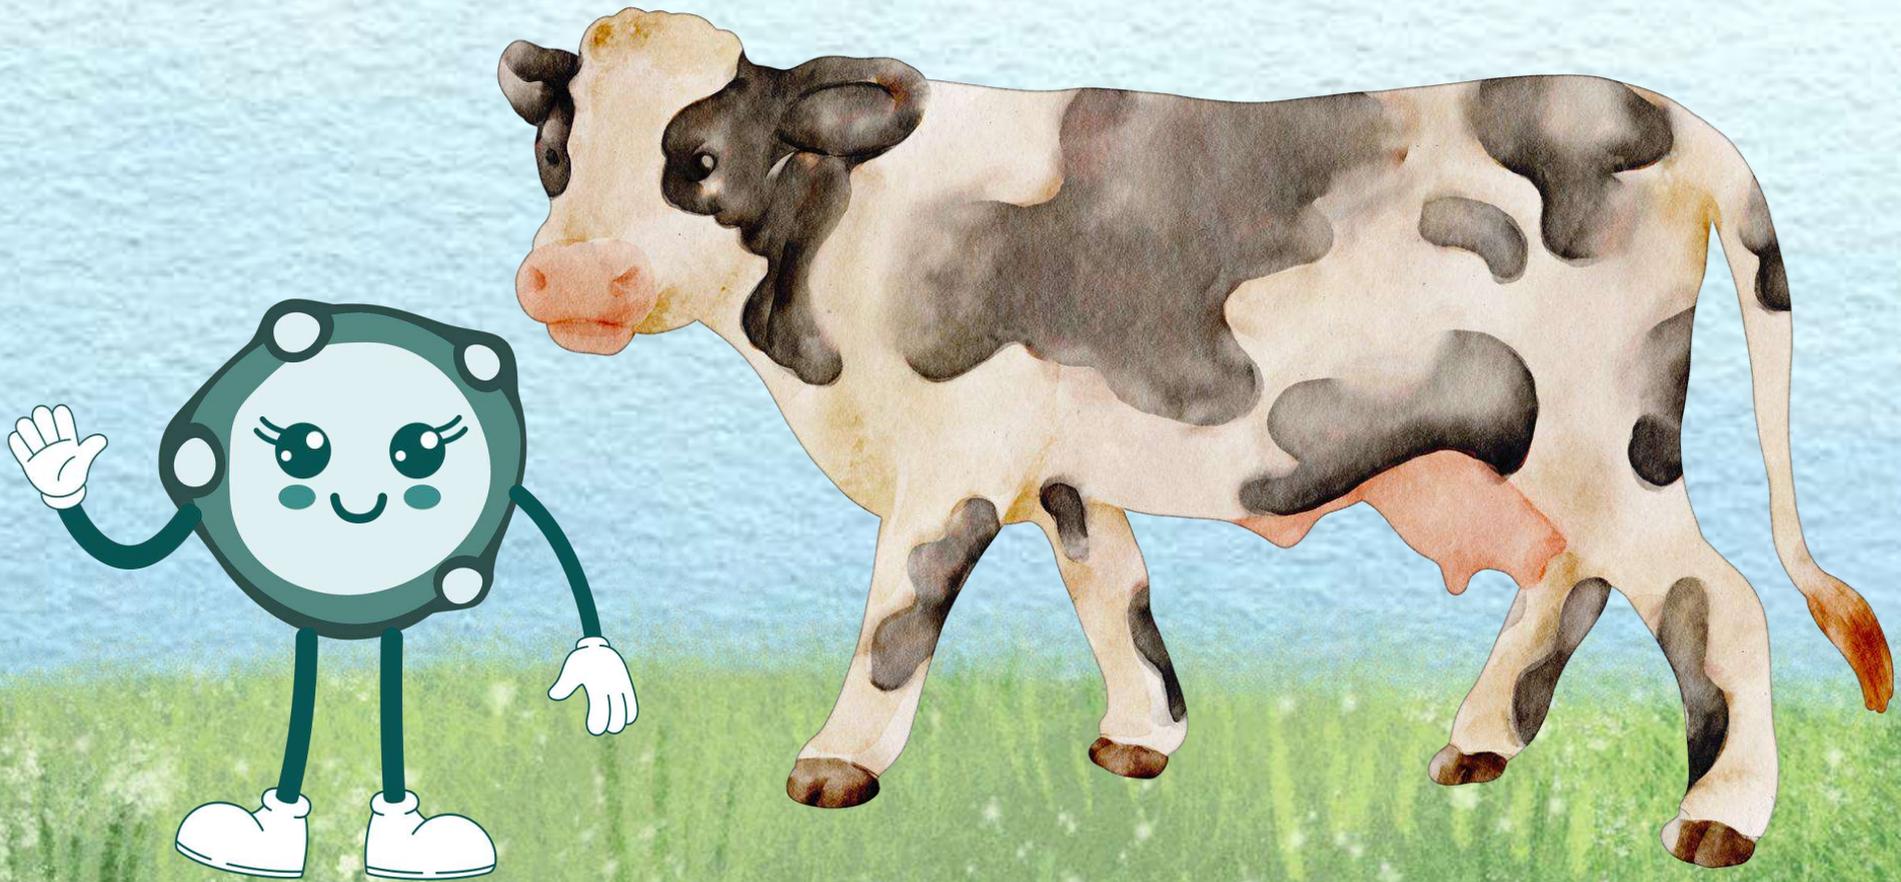

“Is breá liom ag lapadáil san uisce”, a deir Blastie.

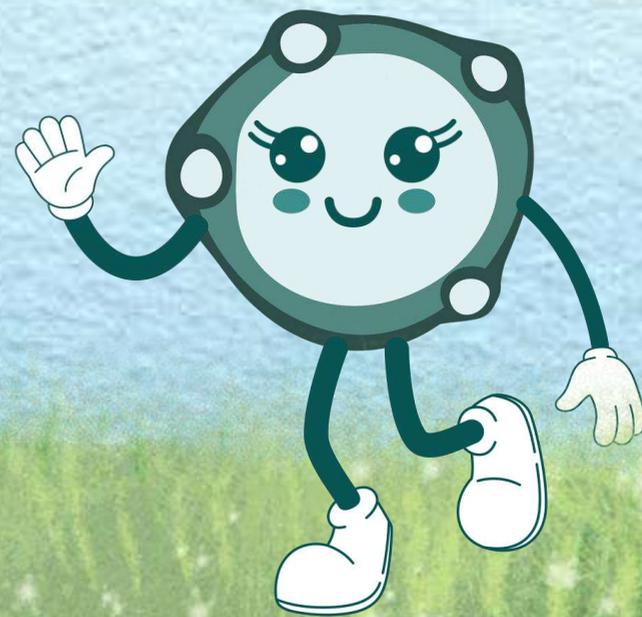

Lá amháin, casann Blastie le bó.

“Dia duit, a bhó!” a deir Blastie.

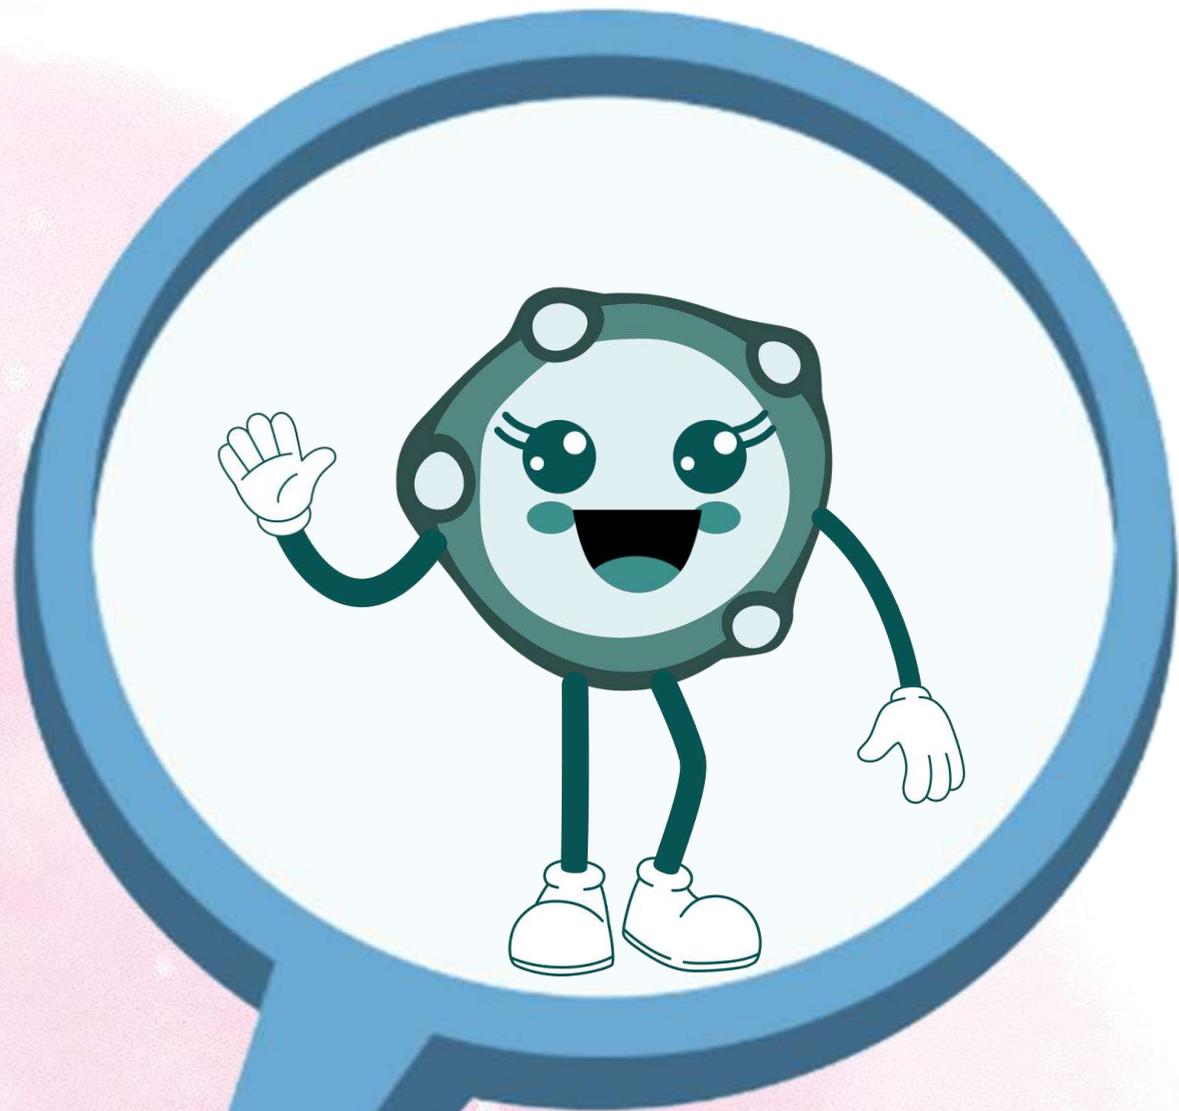

“Bóó!” a deir an bhó.

An lá céanna, casann Blastie le cearc.
“Dia duit, a chearc!” a deir Blastie.
“Cluic!” a deir an chearc.

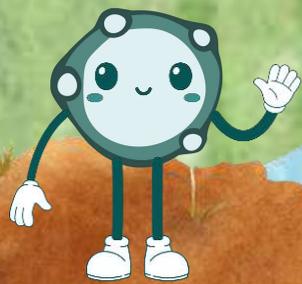

Casann Blastie le
páiste freisin.

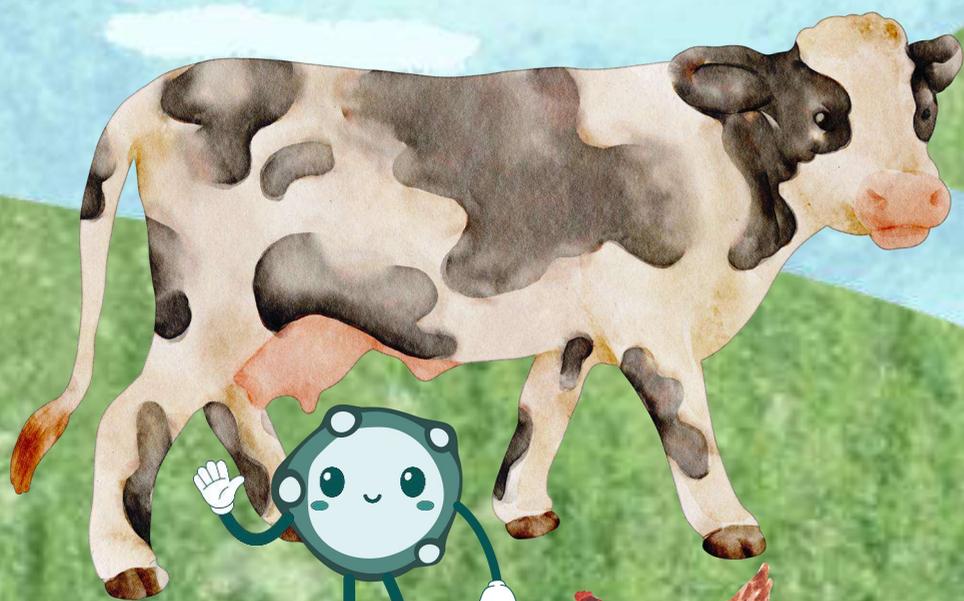

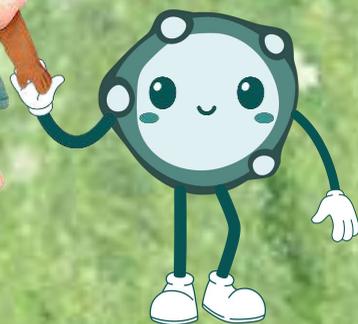

“Dia dhuit, a chara!”
arsa Blastie.

“Dia’s Muire dhuit, a
Bhlastie!” arsa an
páiste.

... sa talamh,

i ndaoine, in
ainmhithe,

agus fiú amháin
san uisce!

Níl Blastie ina aonar ach déanann sé cairde le
miocróib bheaga eile sa bholg.
Imríonn siad, labhraíonn siad, agus uaireanta
bíonn siad ag argóint.
Le chéile, maireann siad in comhardú.

Tugtar Aon-Sláinte air sin.
Tá ainmhithe, daoine agus an dúlra go léir
ceangailte lena chéile.

De bharr sin, gach uair a ólann tú uisce glan, a nighíonn tú do lámha agus a thugann tú aire d'ainmhithe, cuimhnigh é seo:

tá Blastie mar chuid dár ndomhan mór gnóthach!

Tá ár mboilg lán de beatha bheag bídeach. Cabhraíonn roinnt miocróib linn, maireann cuid eile linn gan dochar, agus tá roinnt ann fós atá á bhfoghlaim againn faoi, cosúil le *Blastie*.

Agus sin é an rud is spreagúla!

Tá an oiread sin nach bhfuil ar eolas againn fós. Tá eolaithe fós ag fáil amach cad a dhéanann an créatúr beag seo, conas a maireann sé agus cén chaoi a n-oireann sé isteach leis na cairde beaga bídeacha eile atá inár mbolg.

Mar sin, nuair a chloiseann tú focal mór eolaíoch ta cosúil le Blastocystis,

Blastocystis
under One Health
